RE: Board/Health Directors Meeting

I know the cancellations of this meeting have happened twice in a row due to stormy weather, has caused much inconvenience to us all. The meeting is still scheduled to go ahead as planned and hopefully not be cancelled or postponed. I am therefore proposing to have the meeting take place on March 27 and 28, 2017 in Moncton, New Brunswick. The agenda that you all have, maybe revised with small or minor changes. If a revised agenda is required, I will have it sent to you prior to the meeting. As soon as I can firm up these dates, I will advise you of the location in Moncton. I would appreciate hearing from you should you have any questions or concerns. For those of you taking off March Break, enjoy your time off with your families and hope to see you all in Moncton.

Thank you for your understanding.
