Employment Opportunity
Personal Support Worker-WFN Home and Community Care

Position Overview

Reporting to the Home and Community Care Nurse and/or the Home Care Coordinator, Personal Support Worker is to assist the elderly and people with disabilities who are clients of the Home and Community Care Program. Must be able to work shiftwork, including weekends.

Responsibilities

- Personal care such as bathing, dressing, toileting, feeding and personal hygiene as per client's request.
- Perform transfers and assist with mobility as required by the client care plan, with an emphasis on independence and safety.
- Plan and prepare nutritious meals including special diets; perform regular glucose for diabetic clients as indicated in client care plan.
- Provide medication reminders to clients, monitor client's health status and notify Home care nurse of changes in well-being.
- Complete light cleaning duties such as sweeping, mopping, laundry and meal clean-up
- Provide friendly reassurance visits to clients
- Attend scheduling training sessions, meetings and case conferences as required

Qualifications

- Personal Support Worker Certificate from a recognized College/Education Institute
- Minimum one-year experience in the health care field
- Demonstrated leadership and organizational skills
- Excellent communication skills
- Current First Aid/CPR Certification
- An understanding of general health services available for First Nations people through Health Canada and off-reserve services
- An understanding of the First Nation/Maliseet cultural environment. Knowledge of the Maliseet language is considered an asset

Salary

Negotiable, based on education and experience.
