Soar to New Heights"*

1st Annual Virtual Summit Meeting 2022 "Learning and Opportunities in Clean Energy" June 2, 2022

Hello to All,

This is an invitation to join the Union of New Brunswick Indians Training Institute (UNBITI), Inc. on its first Annual Summit Meeting being held on June 2, 2022 9am – 3pm AST via ZOOM.

The UNBITI has operated since 1994 and has been incorporated since May 2009. Hundreds of Indigenous and Non-Indigenous students have completed their diplomas and/or certifications and are currently gainfully employed across the country.

PURPOSE OF MEETING

- **To inform and update grassroots and indigenous leaders across New Brunswick**
- **To close the gap between the Clean Energy sector and First Nation communities**
- **Possible job opportunities and career paths**
- **To seek economic opportunities for First Nation members and communities**
- **Opportunity for UNBITI to seek interest for development of curriculum in related trades for Indigenous and Non-Indigenous students**

Woven like sweet grass, UNBITI intertwines the indigenous culture and worldview within all curriculums it offers. To view the current line-up of programs being offered for fall 2022, please visit our website;
